How many of you have read *The Story of Edgar Sawtelle*? If you haven't, you must. It's about dogs, life, growing up, hard knocks, love, grief and so much more. Your mind will be thinking and rumbling well after you lay the book down. The writer is amazing. He is so eloquent without being overly descriptive. You'll love it. If you haven't read it--do not read the front of the dust jacket. It gives away too much information.
