FAQ's

Q: Do your diapers hold feces or just urine?

A: Poochie Pants dog diapers only hold urine. The 'back end' is open.

Q: Can you customize the size if the ones you have won't fit?

A: Yes we can. There is a one time fee of \$10 for the customization; but well worth it if you and your dog are having trouble coming to an understanding.

Q: What do we use to absorb the urine?

A: Many of our clients have written to tell us they use human incontinence pads, baby diapers, or sanitary pads. You'll need to experiment to see which fits your dog's needs the best.
